

## **WMCA Presentation on "The Story of the Frederick Airport"**

On November 21, 2024, Andrew Moore, Airport Manager to the Clubhouse, took us from the early days of flight in 1942 to sophisticated flight operations today. He noted that military and civilians use the airport. We heard:

- Stories about experimental aircraft headquartered at the airport.
  - Who uses the airport today.
  - How you can track aircraft on your laptop.
  - The annual Festival of Flight.
